

Professor Julia Scarisbrick

Julia leads the Cutaneous Lymphoma Service within the Rare Diseases Centre at University Hospitals Birmingham and is Honorary Professor at the Institute of Immunology and Immunotherapy, University of Birmingham, UK. She is Chair of the EORTC Cutaneous Lymphoma Group, President of the UK Photopheresis Society and treasurer both the UKCLG and International Society of Cutaneous Lymphomas (ISCL).

Julia is active in both clinical and molecular research fields for cutaneous lymphoma. She has a successful translational research program and is involved in the development and delivery of both commercial and academic clinical studies. She has published over 100 peer-reviewed articles, contributed to a number of books, and is involved in the development of management guidelines.
